

Merry Christmas

2014

Greetings from Paul and Sue, pictured here with Annie and Sean, Walter (3 in October), Sally (1 in August) and Hank-the-Dog. This card doubles as a "We've Moved" announcement. In June, we bought a house. Our new address:

The Edison-Swifts, 617 Chadwick Dr, Watertown, WI 53094

In February, Sue became Bethesda's Corp. Dir. of Faith Life Resources, which includes coordinating the Summer Institute on Theology and Disability (BethesdaInstitute.org/theology). Paul has a dedicated home office and continues working as a Web Analyst/Developer for the ELCA Churchwide Office in Chicago.

January: Paul had a successful cardiac ablation-no more afib! Celebrated the life and witness of Sue's Aunt Sally (pictured above, meeting baby Sally, Sept. 2013). June: Flew to New York with Annie and Sally for Rachel (Paul's niece) and Matt Lauster's wedding. September: Attended the memorial service for friend Mim Woolbert. Annie and Sean arranged for a surprise "Sue and Paul birthday" breakfast with dear friends. October: Joined the Edison-Albrights for a holiday in Door County (cherries!). November: Annie receives 2014 Brave Preacher Award from The Beatitudes Society; so proud. Bought our first-ever snow blower; used it twice. We'll post more at <http://sue.edison-swift.com>.
