Use these four pages as a prayer journal, listing one or more prayer prompts each day between November 25 and January 5. Some examples: *K's recovery*, *Courage tomorrow*, *Lee's baptism!* To coordinate with the devotions, label the dated boxes for the Sundays of Advent.

You might want to pre-place names in some of the 42 boxes. Children can help create this "God bless" list of people to remember each day in prayer. For other ideas and to print out additional copies of this prayer journal, go to www.lsswis.org/advent.htm.
